As a rule city officials are liberal with their appropriations for fire and police service, and justly so. But when it comes to appropriating money for health purposes, these same bodies are either indifferent or ignorant, or both, as to the importance of conserving the health of the people. It is quite natural, no doubt, that the burning of an old frame structure that is an eyesore to the community, should cause more excitement than the death of a dozen people from consumption in the same locality; but why not have money and men to fight the white plague as well as to fight fire? Both are important and neither should be neglected. People are as much entitled to protection against sickness, disease and death as they are against fire, thieves and hold-up men. The city that has as abnormally high death rate from the preventable disease is guilty of criminal neglect in its administration of public health work. Nor is the blame always to be laid upon the health officers. It depends upon whether or not these officers have been given the men and means with which to carry out those activities that, when properly performed, will safeguard effectively the public health. The ancient Israelites found they could not make bricks without straw; neither can the health officials of today carry on efficient public health work without money.

Thousands of women may have to wait for their Spring shirtings, because the large number of shirtwaist makers in New York City who went on a strike this week are brought to terms. The strikers, as usual, choose a crucial time, just before the beginning of the Spring rush, when the supply of waists on hand was limited. To meet this emergency the employers say they are prepared to send their work to Cleveland, O., the only other city in the country that manufactures shirtwaists on a large scale. The strikers' reply to this was a threat to call a general strike that would tie up work in Cleveland and other manufacturing centers. It may be that the dear women will have to stick to their winter togery longer than usual on account of the strike unless they get busy and do a little cutting and sewing themselves.

We have it on pretty good authority that William Jennings Bryan will accept the portfolio of Secretary of State in the Wilson cabinet. Certain advisers of Mr. Bryan would be immeasurably pleased if it should transpire that this announcement is true. As the candidate who polled more democratic votes for the presidency than any man, they think he is entitled to pre-eminence of the President's advisers. On the other hand, there are many good democrats, equally sincere, who would look with disfavor upon such a coalition. There is no doubt in their minds, in the first place, of the entire disinterestedness of Mr. Bryan's course.

Mr. Jesse Doty and daughter, Miss Emma, of Lancaster, were the guests of Mr. and Mrs. Geo. T. Bogart Tuesday.  
Mrs. S. L. Midkiff, who has been ill with grip is now over the worst and we hope that she will soon be restored to health.  
Mrs. Milward Brown and daughter, Miss Katherine Parke Brown, have gone to Florida to spend the rest of the winter.  
Ernest Rhodus and Miss Clara Pichee, both of College Hill section, were married at the bride's home on the 15th.  
Mr. Benjamin Hurst, of the Richmond Heating & Plumbing Co., is in the mountains looking for big contracts for his firm.  
Mr. A. D. Miller, of this paper, is attending meeting of the Eighth District League of newspaper men in Lexington today.  
Misses Irene and Geneva Price, of Richmond, who have been visiting Miss Hester Anderson, returned home Monday.—Interior-Journal.  
Mrs. U. G. Harris, of Vincennes, Ind., shows her good feeling for and faith in the Clinax by dropping three big dollars in this paper's coffers.  
Mrs. Houston Stone, who was operated on at the Gibson Infirmary for gallstones some time ago, is doing nicely and will soon be able to get out.  
Mrs. Cecil Thorpe, of the county, is very low and fears are entertained for her recovery. On Thursday morning a little boy arrived at her home.  
Mr. Beall, returning from Government service in the Philippines stopped over in this city to see his erstwhile classmate Mr. G. T. Bogard.  
Mr. John W. Masters, formerly of this city and well known throughout the county, now of Columbus, Indiana, was here last week on a business trip.  
It is the Mystic View of Life Co., of Bristol, Tenn., that Mr. W. R. G. G. is traveling for instead of the Chattanooga Medicine Co., as we stated last issue.  
Mr. and Mrs. J. L. Wilcox, of Paris, returned home Thursday after a visit to Rev. and Mrs. H. I. Clark at Waco and Mrs. Mrs. Bush Rice of Speedwell.  
Mrs. James W. Caperton and charming daughter, Miss Jamie Caperton, will leave in a few days to visit Mrs. Caperton's sister, Mrs. Frank Jennings, at Jacksonville, Florida.  
Mr. J. W. Romans, a prominent business man of Lancaster, was a caller at this office Tuesday. Mr. Romans frequently has business in Madison's capital, and knows many of Richmond's business men.  
Miss Nina Ogden, of near Richmond, on her way to Iowa to teach, stopped in here Saturday to visit Mr. C. I. Ogden and family.—Miss Bettie Azbill, of Richmond, is visiting with her sister, Mrs. Laura Jones.—Berea Citizen.

Mr. W. W. of Richmond, was here Tuesday in the interest of the Richmond Poultry Show, which commences Feb. 5. Quite a number of Jessamine county and Nicholasville farmers will have entries in the show.—Jessamine Journal.  
Mr. Cliff Cunningham, an old newspaper man, was a caller at this office this morning. He was for a number of years connected with the Middleboro News and later with the Danville News. He is now traveling for the Knapp Co., of New York City.  
Mr. Crabbe's talk before the Woman's Club on the subject, "New Year Resolutions," is said to have been a gem and he was heartily congratulated for the many good points he made and the food for thought he furnished. Mrs. H. C. Jasper gave the Current Events in a very enjoyable manner.  
"I like the copy of your paper you sent me and enclose money for one year," writes C. E. Walton, of West Chester, Iowa. Mr. Walton has the same name as the editor of this paper, but he knows nothing of him save that by his acts, he believes him a man of good judgment.  
Col. Urey Woodson, editor of the Owensboro Messenger, Ex-Secretary of the National Democratic Committee and incidentally selling a few Mergenthaler Linotype machines, was here yesterday to see the owners of the Clinax, who will put in one of those wonderful machines in a few weeks.  
Mrs. N. B. Deatherage was hostess of an elegant luncheon first of the week in honor of Mrs. Anne Grider, of Lexington, who has been spending the past year in Richmond. It was the nature of an announcement of the engagement of Miss Grider to Mr. Donald Herbert Hewitt of Kansas City, the wedding to take place Feb. 6th. Covers were laid for eighteen, the decorations were in pink and white and an elegant six course luncheon was served. Those present besides the host and guest of honor were Mesdames Elmer Deatherage, Chas. Douglas, Neville Moberley, Henry Cosby, Salie Corneilison, William Grider, Misses Julia Higgins, Margaretta Smith, Sarah Wagers, Henrietta Thompson, Emma Oldham, Anna Mae Walker and Margaret Noland.  
Mr. Arch Chensault, who for some time past has been president of the E. C. Wines' drug store, has handed in his resignation to accept a position in Orlando, Fla., with a big drug concern which has stores all over that State. He will leave next week for the "Land of oranges and flowers" and will take with him the very best wishes of his legion of friends in this city and county. His successor at Mr. Wines' has not yet been named. The writer had the good fortune to reside in Orlando a couple of years and desires to congratulate Mr. Chensault on his removal to the best little city in the U. S., Richmond of course being excepted. It is a town of seven thousand inhabitants, a splendid business center and is peopled with a cosmopolitan citizenship of the best in the country. It is also the prettiest inland town in all Florida.

Mrs. Lucy A. Ramsey, widow of James A. Ramsey, is dead in Winchester where she lived. She is survived by several children.

## Soft Smooth Skin

Seems odd to talk about smooth skin when this weather has been spoiling everybody's hands, making them rough and unsightly. But we have helped a lot of people to keep their hands smooth, well and comfortable, no matter how badly they were chapped before. It only takes a few words to tell you the secret—It's

**Mrs. Jason Riddle Dead.**  
Mrs. Jason Riddle died at her home in the White Hall section, at an early hour this morning after a long illness of a complication of troubles, aged 39. The burial will take place at Bear Wal Saturday afternoon at 2 o'clock. Deceased, who was a devout member of the Methodist church, is survived by her husband and one son.

**Mrs. Ferguson Dead.**  
Mrs. Maggie C. Ferguson, of Lexington, widow of Robert M. Ferguson, and daughter of the late Samuel H. Clay, of Bourbon county, died at St. Joseph's Hospital in Lexington Thursday, after an operation performed one week ago. She was a sister of Mr. Charles E. Clay, of the College Hill section of this county.

**Judge Chensault, Receiver.**  
Judge J. C. Chensault has been appointed receiver of D. F. Sharp, who was recently through into bankruptcy. He is a merchant at Panola, this county, and is badly involved. Bad health and inability to attend to his business is the reason assigned for his financial troubles. Judge Chensault secured the services of Messrs. N. V. White and Thomas E. R. to look after the store and they are now waiting on the customers that come.

The following officers were elected by the board of directors: Judge E. C. Millett, President; T. J. Curtis, Vice-President; C. H. Vaughn, Secretary; Elmer Deatherage, Treasurer.  
Other matters of importance were discussed, and gone over. One very nice thing the directors did was to express their thanks to Judge Millett and Mr. Elmer Deatherage for their efforts during the past year in the interest of the company.

**L. A. S. Elects Officers.**  
The Ladies Aid Society of the Baptist Church selected officers for the ensuing year as follows: Mrs. G. W. Phelps, Pres.; Mrs. G. W. Evans, Vice Pres.; Mrs. D. C. Biggerstaff, Sec.; Mrs. T. T. ## Church Notes

Rev. C. R. Blaine, of Hustonville, has been called to the pastorate of the Presbyterian Church at Pineville for the ensuing year.  
The nineteenth anniversary of the pastorate of that splendid, christian gentleman preacher, Rev. W. D. Moore, will be held at the Shawnee Run Baptist Church next Sunday, January 19. It is needless to say to the membership that their attendance is requested for we believe all will be there that can possibly come and join in the grand, good time that is certainly in store.—Harrisonburg Leader.  
Dr. S. Boggs, evangelist for the Presbyterian Synod of Kentucky, has returned from Phelps and other points in Pike county, where he has succeeded in establishing an educational plant known as the Matthew T. Scott, Jr., Academy and Industrial School. Buildings have been completed and a manse erected. Dr. Boggs, as president of the Board of Trustees of the institution, has just let the contract for the erection of a handsome Presbyterian church at Phelps, and work will begin at once on the new structure.  
The First Church of Christ (Scientist) holds services regularly every Sunday in its apartments, 225 West Main, St. Sunday school at 10 o'clock a. m. Lesson sermon at 11 a. m. Wednesday evening, testimonial services at 7:30 p. m. Free reading room open from 2 to 4 p. m. on Mondays, Wednesdays and Fridays. Subject for next Sunday, Jan. 19th, "Life."  
The public is cordially invited to any and all services.

**Big Paper.**  
The Richmond Climax, semi-weekly, issued a double number Tuesday, consisting of two nine-column folio sheets, chock full of news and advertisements. If the advertisers pay what the article is worth, the paper ought to prove a gold mine.—Lexington Herald.

**Big Prices for Tobacco.**  
At the Madison Tobacco Warehouse in this city, Ben Kelley & Son, of Garrard, sold 2,175 pounds of tobacco for \$973.84, an average of \$31.90 per hundred pounds. It sold as follows: 40 pounds at 26c; 50 pounds at 30c; 105 pounds at 29c; 25 pounds at 35c; 135 lbs. at 25c; 130 pounds at 23 1/2c; 130 pounds at 33c; 85 pounds at 28 1/2c; 130 pounds at 29c; 155 pounds at 31 1/2c; 110 pounds at 28c; 120 pounds at 30c; 110 pounds at 27 1/2c; 35 pounds at 30 1/2c; 50 pounds at 29 1/2c; 45 pounds at 30 1/2c; 50 lbs. at 27c; 275 pounds at 28c; 245 pounds at 30c; 145 pounds at 17 1/2c.

**College Hill Wedding.**  
The home of Dr. Thomas Berryman was the scene of a pretty home wedding Wednesday, when Miss Lillie Mae Berryman became the wife of Mr. Cecil Willoughby. The bride is the oldest daughter of Dr. and Mrs. Berryman and is a pretty and attractive young lady. She is possessed with a sweet and sunny disposition. The groom is the youngest son of Mr. and Mrs. Talton Willoughby and is a young man of sterling qualities. The bride wore a lovely gown of blue satin, with white lace and chiffon trimmings. The attendants were Miss Pearl Kaywood and Mr. Chester Brandenburg. The ceremony was said in a very impressive manner by Rev. Mr. Godbey, of the Methodist Church. The wedding march was played by Miss Nancy Norris. They were the recipients of many beautiful and useful presents. After the ceremony the bride donned a handsome ivory and lace gown, with hat and gloves to match, after which they took the train for Louisville. They will visit Cincinnati and other points before their return.

**Officers of The Poultry Show**  
Following are the officers of the Poultry show that will be pulled off in Richmond beginning Feb. 5 and continuing four days: Geoffrey Moran, president, W. E. Blanton, A. D. Miller, J. C. Neff and Henry Morgan, vice-presidents, J. B. Walker, secretary, D. B. Shackelford, treasurer, W. B. Buford, superintendent. Good men, all of them, and if the show is not a decided success it will be no fault of theirs. In copying an article from the Lexington Herald about the show, that paper spoke of Mr. J. H. Matthews as secretary of the enterprise, which is erroneous. Mr. Matthews is a great chicken fancier and is, like the rest of us, looking forward to the exhibition, but he has not been honored with an official position.

**Not In Debt.**  
A gentleman told us the other day that he heard that the present mayor and council were running the city of Richmond in debt. We denied the charge and to fortify our position, we asked Councilman Bybee about the matter this morning. Said he: "We are not in debt, but it is the first time in many years that the city has been free of incumbrance. We have paid in the past year or so the old debt due the Water & Light Co., which has hung over the city for fully twenty years. We may not have the best streets and pavements in the world but you can tell the public that we are out of debt and hope to remain so."

**Examination Week.**  
On January 24, lasting two days an examination will be held Friday at the Court House for common school graduates, beginning at 9 a. m. For particulars see Supt. John Noland.

## Notice in Regard to Price of Gas

On and after January 1, 1913, the price of gas will be as follows:  
For the first 5,000 cubic feet, \$1.50 per 1,000 cubic feet, less discount of 25 cents per 1,000 if paid on or before the fifteenth of the succeeding month.  
For all gas used each month above 5,000 cubic feet, \$1.00 per 1,000 cubic feet.  
The reason for this is two-fold:  
First, the Company has to furnish, maintain and read a meter for every consumer, and the absolute cost of doing this is the same whatever the amount of gas used. But the relative cost is less in proportion as the amount of gas used is greater. The Company can therefore afford to sell a greater amount of gas at a less rate than a small amount.  
Second, the Company hopes that this reduction in price will lead to a greater use of gas for both domestic and commercial purposes. If it does these, this reduction will probably be followed at some future date by a still further reduction.  
Gas arcs for commercial lighting will be furnished free by the Company and maintained at cost.  
Gas stoves, heaters and fixtures will be sold at cost by the Company, 5.00 down and 1.00 per month. The saving to the consumer by this arrangement may be seen by the following comparison:  
Detroit Ranges, No. 1812, catalog price \$25.00 - - - Our Price \$18.00  
Gas Water Heaters, No. 9, catalog price \$15.00 - - - Our Price \$10.00  
Reflex Gas Inverted Burners, catalog price \$2.50 - - - Our Price \$1.50  
Bath Room Gas Heaters, catalog price \$5.00 - - - Our Price \$2.50  
The Company cannot afford to furnish and maintain a gas meter for less than 12.00 a year. Hence consumers must pay this amount for gas per year, whether used or not, otherwise the gas will be shut off and the meter removed.

Washington for Inauguration, New  
York and Philadelphia, Monday,  
March 3. 31-4f

## Held To April Term.

Leonard Fluty, the young man ar-  
rested in this county Monday, charged  
with shooting to death Thomas Berryman  
at a dance near Trapp, Clark county, last  
week, was held over till the April term  
of the Clark circuit court. No applica-  
tion has been made for bail.

## Improving His Place of Business.

Mr. Charles C. Culton, the enterpris-  
ing fresh meat dealer, is greatly im-  
proving his place of business on West  
Main street. Besides putting in a hard  
wood floor he is having many other  
things done that will add to the com-  
fort and attractiveness of his place.

## Business Growing.

The parcels post business is getting  
to be such a big thing in Richmond  
office that Postmaster C. C. Wallace  
has had to put on a new man, J. B.  
Phillips, to assist in caring for the busi-  
ness. Some times there is so much par-  
cels post matter that it is necessary to  
get a vehicle to deliver it. Uncle Sam  
is a clever old soul and will deliver any  
thing free of charge except a paper  
published oftener than once a week.  
He halts there and as a consequence the  
Climax has to be delivered by its own  
carriers. Why the difference? Read  
the answer in the stars.

## Mrs. Durham Dead.

Mrs. Cassandra Durham, well known  
as "Aunt Cass," widow of David Dur-  
ham, died at her home at Union City  
on the 14th inst., at the age of 82 years.  
She is survived by one son, W. D. Dur-  
ham, of this city and two daughters,  
Miss Ella Durham and Mrs. Roland  
Moore of Union City. Her funeral will  
occur at Union City, under the aus-  
pices of the Methodist church, of which  
she was a consistent and good member.

"Time conquers all, and we must Time  
obey."

We all know "happy is her new home."

## Notice.

As sales manager of the Mutual Manu-  
facturing Company's line of Flavoring  
Extracts, Perfumes, Soaps, Toilet Ar-  
ticles and Household Necessities, I am  
very desirous for, and shall appreciate  
all orders the people of Richmond may  
wish to give me. Those who have used  
the M. M. Co. products need no urging to  
buy again, for these goods have been  
tried and proven to be of Superior Qual-  
ity and are guaranteed to give satisfac-  
tion. Although I expect to repeatedly  
and thoroughly canvass the town, a card  
will reach me at 102 East Main Street.  
Mrs. M. M. C. Dawson. 31-1f

## That New Freight Depot.

That freight depot the L. & N. people  
are excavating for is going to be a dandy,  
and don't you forget it. It and the oth-  
er improvements, such as side tracks,  
will cost about \$20,000. As stated be-  
fore in these columns, it will be just in  
front of the Madison Milling Company's  
plant—a very desirable location. Agent  
J. P. Rucker tells that the building will  
be 140 feet long by 30 feet wide with  
six-foot doors on each side. The founda-  
tion will be of concrete, and the build-  
ing be weatherboarded. The roof will  
be of metal. There will be nearly 200  
feet of platform, 100 feet of which will  
be on the South end and the rest on the  
North end. It will be a marvel of con-  
venience and while the building will be  
a sightly one, more attention was given  
by the architect to convenience than  
beauty. Agent Rucker's private office  
will occupy space in the South end of  
the building. The hope is entertained  
that the structure will be ready for use  
by May 1st and as soon as it can be oc-  
cupied the old freight depot will be torn  
down and two new sidetracks, accom-  
modating 100 cars, will be laid. Two  
tracks, to take 20 cars, will be built, one  
on either side of the new depot. The  
excavation for the big building should  
be completed in two weeks and then a  
big force of men put to work and the  
depot pushed to completion. Improve-  
ments amounting to \$3,500 will be made  
on the company's stock pens. Eight  
new ones will be built and a general re-  
arrangement of the pens now in use.  
Richmond is a great cattle shipping cen-  
ter and the great railroad corporation  
can well afford to give every conveni-  
ence and accommodation to the ship-  
ping public. Richmond people are  
proud of the fact that they are to have  
a big new freight depot but would be  
prouder still if they were also going to  
have a new one for the hundreds upon  
hundreds of passengers who daily get on  
or off the L. & N.'s trains here.

### The Servant In The House.

Mail orders are now being received for the forthcoming engagement of "The Servant in the House," at the Grand Opera House on January 23rd. Because of the peculiar nature of the play, and the special appeal which it makes not only to ordinary theatregoers but to a large circle of persons whose visits to the playhouse are rare events, it is expected that there will be a great demand for the seats for the performance given here.

Mail orders will be filled in the order of their receipt. They should be accompanied by check to W. P. Baxter, Manager, and a self-addressed envelope. Patrons should specify the price, preferred location and number of seats desired.

The company which is to present "The Servant in the House" is the greatest ever sent out with a play of this character and numbers among its members no less than three actors who have been stars in their own right.

### Gov. McCreary Entertains Electors.

Gov. James B. McCreary gave a beautifully appointed luncheon Monday at the Mansion at which his guests included thirteen electors who were here to cast their vote for President-elect Woodrow Wilson and Vice President-elect Thomas R. Marshall.

The table decorations were in pink, with a centerpiece of pink roses and smilax in a French basket, which was decorated on each side with bows of pink satin ribbon. At each end of the table were cut glass vases of pink roses and ferns, and the mints and ices were in rose color.

The guests who included, besides the thirteen guests of honor, Mr. Francis Douglas, the Governor's private secretary, enjoyed a menu of seven courses, which, from the grape fruit served in baskets, whose handles were wreathed with smilax and pink rose buds, to the ices, which were in pink, was as pretty and daintily served as it was delicious. —Frankfort Journal.

### Newspaper Man Hiking to the Nation's Capital.

He carried with him a card of congratulations signed by several hundred Danville and Lexington democrats which will be presented to the new President.
